Heather shows entrepreneurs & business owners the hidden obstacles blocking their success and profit, & reveals powerful pathways to increase their revenue, attract more clients and create a thriving business doing what they love. Heather's eye-opening 4-step process reveals how clients can harness the engine of their own brilliance to create success and reach desired goals faster. Stop struggling with sales and marketing tactics you can't stand, create off-the-charts success using what you're already great at. Heather's articles have been published in Entrepreneur Magazine and she has spoken to audiences of audiences across the East Coast, including Wealthy Sexy Rebel, and NAWBO.

From Bull to Brilliance

4 Simple Steps to Create Unstoppable Profits By Busting Your Bull and Stepping in to Your Brilliance Inspired Business.

In this inspiring and energizing presentation, you'll discover:

- **Why basing your business on your brilliance makes you more money with less effort every time**
- **Why connecting fully to your big vision actually makes success easier, and how to discover the key accelerator to more money hidden in your own energy (this one's huge!).**
- **The one simple key that can attract all the clients and revenue you'll ever need.**

Brilliance Inspired Selling

How to Bust Through Your Bull and Ride Your Brilliance to Record Sales

In this fun and engaging presentation, you'll discover:

- The REAL reason why sales are a struggle, and the simple keys to the breakthrough that brings in all the profits you want.
- The reason sales is so intimidating and the simple, powerful path to put your sales fears behind you forever.
- How your one-of-a-kind, unique brilliance leads you to record sales (when you know how to tap into it - HINT - I'll be showing you how!)

"Heather spoke at my Wealthy Sexy Rebel event, geared to powerful women entrepreneurs.....If you're looking for an excellent speaker who not only over-delivers, but delivers a great experience (in addition to great information) you simply can't do much better than Heather..."

LORENA MORALES
Wealthy Sexy Rebel

"Heather is a breath of fresh air, she's full of energy, and tells it like it is when it comes to getting real, being honest, and what needs to happen to get on track and make the most of your business. Heather's presentations leave no stone unturned on the topic she presents..."
